WG2 meeting, Zagreb, 20 March 2019

**Grant Writing: Sharing Experiences and Advice**

Large collaborative grants, e.g. MSCA-ITN (Malgorzata, Francesca, Antonia, Wouter, Ago)

**Example of a Timeline** (for an MSCA-ITN application):

- 9 months to go: Start! Invite more team members as needed, establish relationships.
- 6 months to go: Compile projects draft, who has not submitted should be out. Develop overarching ideas.
- 4 months to go: Meet in person discussing projects and interlinking them in detail.
- 3 months to go: Final version of projects including training requirements, exchanges etc.
- 2 months to go: Training programme tailored.
- 1.5 months to go: Fill in online forms, get identification numbers, institutional support etc.
- 1 month to go: Collect forms, letters of support from partners and any signatures required.

	Good ideas	Bad Ideas
Project Leader	<ul style="list-style-type: none"> <li>- Delegates clearly, sets deadlines.</li> <li>- Knows the rules and requirements.</li> <li>- Maintains personal contacts.</li> </ul>	
Assembling the Team	<ul style="list-style-type: none"> <li>- Put team together early.</li> <li>- Find industrial partners where suggested!</li> <li>- Allow time to get to know each other, best is a face-to-face meeting about 4 months ahead.</li> </ul>	<ul style="list-style-type: none"> <li>- Don't ignore recommendations: they are requirements given the competitiveness of the schemes.</li> </ul>
First Steps: People	<ul style="list-style-type: none"> <li>- Establish relationship with grant administrators at your institution.</li> <li>- Establish relationships with local EU contacts for H2020.</li> <li>- Have Skype calls and wider meetings in...</li> </ul>	<ul style="list-style-type: none"> <li>- Don't forget anyone who might be of help or not later.</li> </ul>
